Dear Mr Freeman,

**Re: Changing Places Toilet at the Kilngreen, Langholm**

Following your recent correspondence to [REDACTED] regarding the Dumfries and Galloway Council proposal to add a Changing Places Toilet at the Kilngreen, Langholm which will be an extension to and in keeping with the existing toilet building.

Please accept this email as our formal support for the facility. We believe this will increase the accessibility and inclusivity of Langholm and the surrounding area for both the local community and visitors. [REDACTED]  
[REDACTED], being able to offer visitors to a changing places toilet facility [REDACTED] for the town and the wider area will be highly beneficial. This is especially important for those who may experience barriers to visiting rural areas and experiencing nature in Eskdale.

If we can be of any further assistance, please do let us know. We look forward to hearing more as plans develop and will support with any promotion where necessary and appropriate.

Kind regards

[REDACTED]
