## Welcome from the Head Teacher

Dear Parent / Carer

A very warm welcome to Kelloholm Primary School and Early Learning Centre, where we promote our values of Creative, Learning, Inclusive, Community and Kindness. We have a creative, caring staff team who challenge the children to be the best they can be. We enable our learners to be innovative and apply their knowledge, skills and experience across the curriculum to prepare them to be global citizens and effective contributors. We facilitate opportunities for our children to become independent and confident.

We actively encourage partnerships within our local community and beyond. We encourage parents to become involved in the school's improvement journey and to participate in and contribute to their child's learning.

It is my privilege to lead Kelloholm and I look forward to working with you.

**Mr E Ferguson**  
Headteacher

For more links and detailed information about how we support parents and work with our schools, please see our [Authority Handbook](#). This also includes a page for financial support for Children and Families.

## School Aims, Values and Ethos

Kelloholm Primary strives to be a positive, happy and inclusive environment where there are opportunities for the whole community to Work Together, Learn Together and Grow Together.

We aim to provide all of our pupils with learning experiences which are appropriate to their needs and abilities and which enable all our pupils to achieve their potential. We celebrate the achievements and interests of all our pupils, developing a sense of self-worth and confidence.

Our core values focus very much on **community and kindness**. Everyone in school is encouraged to aspire to be **kind and inclusive** to each other, both in school and in the wider community. Individuals are expected to take responsibility for their actions and for their learning. We actively encourage and value the contribution of everyone in our school community. This is visible in what you see, hear and feel while in Kelloholm School and in our Community. We achieve this by having Creative Learning in an Inclusive Community enveloped with Kindness.

## Contact Us

The school welcomes suggestions and enquiries from parents and carers.

### If you need to find out something

We can be contacted by e-mail, telephone, group call text messages or face to face. Where it is not possible to resolve enquiries straight away, we will make arrangements to follow up as necessary with the most appropriate member of staff.

### Comments, Complaints and Compliments

A comment might be some brief feedback about how we have handled a situation or delivered a service. It is best to pass a comment straight to the school so that we can take any necessary action.

If you are not happy with the response you receive or a decision that has been made, you can 'Ask us to Look Again'. Visit [www.dumfriesandgalloway.gov.uk](http://www.dumfriesandgalloway.gov.uk) to find out how you can do this. At this point an Officer will contact you, discuss the issue and direct your enquiry as appropriate.

If you remain dissatisfied, the Education and Learning Directorate operate within the complaints handling procedures for Dumfries and Galloway Council. Information on this can be found at [www.dumfriesandgalloway.gov.uk](http://www.dumfriesandgalloway.gov.uk)

## How the School Works

### Class Organisation

For organisational purposes, schools are structured into classes. Each year it is the responsibility of the Headteacher to organise the class structure.

### Primary School Class Organisation

Within education our clear purpose is to bring about success for all our young people through raising levels of achievement, attainment, and participation.

For more information on school class organisation please visit [Class Organisation Leaflet](#)

Our school follows the Council policy for class organisation.

This session we have seven Primary classes: P1/2, P2, P3, P3/4, P5, P6/7, P6/7

Our Nursery class has Key Worker Groups, you will be informed which group your child is in before they begin their learning journey with us.

For more information please see the [Education Authority Handbook](#)

### Positive Behaviour and Celebrating Success

Our ethos focusses on positive behaviour, respectful words and actions, and taking responsibility. We are a Rights Respecting School and have achieved our Silver award and now working towards Gold. We value the contributions of all individuals in school and use these contributions to improve. Everyone has a right to feel safe, have their voice heard and be happy. We promote kindness and consideration towards others. We use Restorative Practices to support individuals in 'making it right'. Parents/Carers are kept informed of incidents of unacceptable behaviour.

We celebrate success across our school community. We have weekly assemblies where we share good news stories, recognising achievements both at home and at school.

For more information please see of the [Education Authority Handbook](#)

## School uniform

Kelloholm Nursery has a uniform available. It consists of a purple sweatshirt or cardigan and a purple polo shirt. Uniform is not required in nursery, however many of parents and carers prefer this option.

School uniform in Kelloholm Primary consists of a black jumper or fleece, white shirt/blouse or polo shirt and black trousers/shorts/skirt. Some of our children choose to wear a tie.

Uniform items are available from the school office and are embroidered with the school logo. Sizes range from 2-13 years.

## Curriculum for Excellence

Curriculum for Excellence (CfE), now known as 'Scotland's Curriculum,' is bringing learning to life in the way education is delivered for all 3-18 year olds in nursery, primary, secondary, at college and via workplace or community learning. It aims to respond and adapt flexibly to meet the needs of an ever changing and evolving world and Scotland's place within it. At its heart lies a constant commitment and drive towards excellence and equity, to raise standards, improve knowledge, develop skills for all learners and close the gap between the lowest and highest achievers by ensuring everyone has an equal opportunity to be successful, no matter what their background or circumstances. Ultimately, it aims to nurture children and young people as successful learners, confident individuals, effective contributors and responsible citizens.

## Broad General Education

Children and young people work their way through Experiences and Outcomes in each of the five Curriculum Levels (Early, First, Second, Third, Fourth) and in each of the eight Curricular Areas. The five

Curricular Levels span pre-school to the end of S3. This is the Broad General Education. Pupils progress at their own pace, working through the Experiences and Outcomes of the most appropriate level for them. Pupils will be supported in collecting evidence of their achievements, with a profile of these being produced in P7 and S3.

CfE also includes Languages, Expressive arts, Religious and moral education, Sciences, Social studies and Technologies. The responsibility for the curriculum offer in your school sits with the Headteacher.

We aim to offer a variety of wider achievement activities for all our learners. These can take place both after school and during the school day. These are delivered by community partners, Active Schools and school staff. In previous years we have offered dance, music, football and gardening. If you would like to become involved in supporting the wider achievement opportunities we offer for our learners, please get in touch through the school office.

In Kelloholm, we pride ourselves in opportunities for pupil leadership and pupil voice. Our learners

are involved in House Captains, Pupil Council, Digital Leaders, Eco Group, STEM ambassadors, Prefects and Rights Respecting Schools.

We offer all our classes the opportunity to learn out-with the school building. This ranges from learning walks in our immediate community surroundings to visits further afield. In the past we have visited places including Dumfries House, Dynamic Earth, Glasgow Science Centre and Drumlanrig Castle.

Upper school pupils develop their self-confidence, resilience and independence during an annual residential experience.

## Parental Involvement and Engagement

### Parent/Carers and the Parent Council

Every parent who has a child at our school is a member of the Parent Forum. The parent council is a group of parents who have chosen to represent the parent forum. As a member of the Parent Forum, each parent can expect to:

- Receive information about the school and its activities
- Hear about what partnership with parents means in our school
- Be invited to be involved in ways and times that suit you
- Identify issues you want the parent council to work on with the school
- Be asked your opinion by the parent council on issues relating to the school and education it provides
- Work in partnership with staff

- Enjoy taking part in school life in whatever way possible

### How is my child doing?

There will be several opportunities for you to discuss your child's progress. This may be through informal discussion with the teacher or at Parents' Nights/ Learning Conversations, formal reports or for some it may be through more formal, focussed meetings with other agencies.

## Helping Your Child and Family Learning

At Kelloholm Primary School we offer parents the opportunity to Meet the Teacher in Term 1, along with a Parents Evening in Term 3 and a final report for the year in Term 4. We also use Seesaw as a communication tool between school and home to share learning.

## Support for All

### Support for Learners

All children receive support at school and nursery to help them learn. 'Additional support for learning' is how we describe any support that is extra or different to the help that most children receive. Most of this additional support is provided by teachers in mainstream classes, focussed on learning and support to be fully involved in school life. For the majority of

children and young people this will be delivered in a mainstream classroom supported by their classroom teacher for a few this will mean some additional support alongside the classroom teacher, and for a very few this will be part-time or full-time provision in a school with a learning centre or an inclusion base.

More information is available at [www.dumfriesandgalloway.gov.uk](http://www.dumfriesandgalloway.gov.uk) and on page 18 of our [Education Authority Handbook](#)

### **Getting It Right For Every Child (GIRFEC)**

You are the expert on your child and what you think matters. Getting it right for every child (GIRFEC) means that the School will always seek to involve you, to listen to your opinions and take them seriously.

More information is available at [www.dumfriesandgalloway.gov.uk](http://www.dumfriesandgalloway.gov.uk) and on page 21 of our [Education Authority Handbook](#)

### **Child Protection**

All children have the right to be protected from harm, abuse and neglect. The vision for all children and young people in Dumfries and Galloway is that they should be: safe, healthy, achieving, nurtured, active, respected and responsible and included. Schools and front-line education and child care services will play an important role in ensuring all children and young people are safe and well.

Further information can be found at [www.dumfriesandgalloway.gov.uk](http://www.dumfriesandgalloway.gov.uk)

Parents, carers and pupils have a key role in keeping the school community safe. We would therefore urge parents to share any information which would keep everyone safe, and to support and encourage their child(ren) to do the same.

### **Enrolment in Schools - School Places**

Information on enrolment in school and catchment areas is available at [www.dumfriesandgalloway.gov.uk](http://www.dumfriesandgalloway.gov.uk) Information regarding catchment areas can be found on the Council's website by accessing [Near Me](#).

### **School Improvements**

Each year the school will publish a School Improvement Plan which outlines the key priorities for the school during the year ahead, following engagement with staff, pupils and parents. The plan indicates the expected impact of priorities on pupil learning, as well as providing brief information about the key tasks to be taken forward. Both the report and the plan are published on the school's web-site and are also available in hard copy, on request. A copy can also be found by searching for your school at [www.dumfriesandgalloway.gov.uk](http://www.dumfriesandgalloway.gov.uk)

Parents views are welcome and important in shaping our school improvement. We have a Parent Council which is open to all to join.

## Health and Safety

### Emergency Procedures (including Safer Together Guidance)

If your child feels unwell or have hurt themselves during the school day they must report this to an adult in the school. If we feel that they would be better at home we will telephone you or your emergency contact. Minor accidents, e.g. cuts, bruises, are dealt with by the school staff. Serious accidents are few, but should one occur your child will be immediately taken either to your doctor or to hospital, if necessary, and you or your emergency contact will be notified. We cannot stress enough the importance of supplying the school with the relevant information we require in such a situation, i.e. your own home and work number and a telephone number of an emergency contact. **Please remember that if your child stays in more than one home setting contact details should take account of this.**

### Health Care (inc First Aid)

Many children will require their health care needs to be met at sometime within the nursery/school environment, for most children this will be for short periods of time only, but for some children this may require more long-term planning and support. If your child has any health care needs, please contact the school to discuss arrangements. Full details of the support available and your role as a parent and the role of your child are contained within Health Care in Schools 3-18 (NHS and Dumfries and Galloway Council) which is available from the school.

For more information see our [Authority Handbook](#)

### Severe Weather and School Closure Arrangements

Headteachers are authorised to make an emergency closure when the state of the weather or any other exceptional circumstance make it necessary in the best interests of the pupils. In these circumstances parents will be communicated with in a variety of ways including text messages/ phone calls and emergency contact arrangements. All school closures will be notified on the Council Website.

[www.dumfriesandgalloway.gov.uk](http://www.dumfriesandgalloway.gov.uk)

### Data Protection

Visit [www.dumfriesandgalloway.gov.uk](http://www.dumfriesandgalloway.gov.uk) for information on how the Council uses personal data.

### ICT in Schools

For more information on ICT in school please see page 14 of the [Education Authority Handbook](#)

### Use of the Internet, Social Networking Sites

As part of the process of learning we allow our children supervised access to the Internet and e-mail. The authority runs its own filter system to ensure that young people are not at risk from exposure to inappropriate material. This filtering system is regularly being upgraded. We have a policy for use of the Internet and a contract for responsible use, which we ask parents and young people to sign up to.
